(3). CARLISLE AND BLAKE PREMIUMS.

THE CARLISLE AND BLAKE PREMIUM FUND.

1. The Commissioners of National Education are empowered to allocate to the teachers of ordinary National schools the interest accruing from certain funds at their disposal in premiums, to be called "The Carlisle and Blake Premiums." Teachers of Model Schools, Convent Schools, or other special schools, are not eligible for these premiums.

2. The interest from the accumulated funds available for premiums is distributed in premiums of £5 each—one for the most deserving principal teacher in each of the circuits every year, upon the following conditions:—

- (a.) that the average attendance and the regularity of the attendance of the pupils are satisfactory;
- (b.) that a fair proportion of the pupils have passed in the higher standards;
- (c.) that, if a boys' or mixed school, taught by a master in a rural district, the elements of the sciences underlying agriculture are fairly taught to the boys of the senior standards; and, if a girls' school (rural or town), needlework is carefully attended to.
- (d.) that the state of the school has been reported during the previous two years as satisfactory in respect of efficiency moral tone, order, cleanliness, discipline, school accounts, supply of requisites, and observance of the Commissioners' rules.

3. No teacher is eligible for a premium more frequently than once in five years.
